REQUEST FOR ORIGINAL CERTIFICATE OF CORRECTION

Sir:

A Request for Certificate of Correction of the foregoing patent was sent to the Patent Office on April 4, 2005. Since the certificate was not received and six months had passed, PAIR was accessed to obtain a copy. However, the copy that was in the PAIR records related to Patent No. 6,858,334 B1 and not the foregoing patent, No. 6,851,434 B2. Accordingly, it is requested that the certificate of correction for the subject patent be issued and sent to the undersigned.

Respectfully submitted,

By: *Patrick J. Daugherty*
